There were a lot of restaurateurs blasting Bananarama from their moving trucks these past few months, because for Miami restaurants it has indeed been a cruel, cruel summer. But the news isn't all bad: a bunch of fantastic new spots have popped up to take their place. From the reinventing of Michy's and OTC to a new home for Filling Station, here're the 15 best new restaurants of summer.

With more Italian restaurants in South Florida than insured motorists, it's hard to make yourself stand out. But this new Italian joint on Las Olas not only serves up stuff you haven't seen before – like the pasta mafaldine: the yummy burnt ends of the lasagne tossed with a beef and pork ragu – it also dry-ages steaks in-house, dishes out wood oven-fired, Italian-style pies, and has a back patio that feels much more Florence than Fort Lauderdale. All part of what makes it one of the [best Italian restaurants in South Florida](#) already.
